

FECKER BOY'S LIFE RECORD.

Adoption Papers Shown
by the Woman Who
Claims Him.

Mrs. Amber Cameron Fecker was arrested as she entered the County Court House today by Policeman William Maloney, of the Forty-ninth Precinct, on a warrant signed by Magistrate Brenner, of Brooklyn.

The complaint in the case is Manager Tumbridge, of the St. George Hotel, Brooklyn, who accuses Mrs. Fecker of endeavoring to defraud him out of \$2 for hotel board.

Mrs. Fecker said: "Why, I was never more surprised in my life. I do owe the hotel a bill, but the hotel people have my trunk and things as security. I had to spend all my available cash in trying to get my boy and had to owe my hotel bill for a few days. It certainly paid the bill this week."

Mrs. Fecker was taken into Part II, Special Term of the Supreme Court, where the officer sat beside her until the habeas corpus proceedings over the custody of the boy, Conrad Benjamin Fecker, were disposed of.

Lawyer Robinson produced a copy of the record of the boy's adoption by Mrs. Fecker, who at the time was Mrs. John Baltimore. The record is as follows:

"State of Wisconsin, Milwaukee County: Miss Kittle Meyers being first duly sworn on oath says that she is a resident of the city and county of Milwaukee, State of Wisconsin; that she is at present employed by the Milwaukee Infants' Home in said city; that in the absence of Miss Nan Dineen, Superintendent of said Home, that she has charge of the books of the same; that on April 13, 1900, she examined the records of said Home and found the following:

"Justice Freeman set the hearing down for May 8.

Mrs. Fecker was arraigned in the Adams Street Court room the day and released in \$500 cash bail, which she furnished herself.

HIS SIN FOUND HIM OUT.

Hernandez, Who as Havana's Deputy Collector Was Recognized as Thief, Is Sentenced by God.

Charles Hernandez, formerly a deputy collector at Havana under Gen. Brooke, was today sentenced to the penitentiary for six months by Recorder Goff.

Hernandez was convicted of forgery in the third degree. In 1895 he was employed in the foreign department of the drug firm of Schieffelin & Co., when he committed the theft. He jumped his bail and fled to Europe. When the Spaniards were deposed from Cuba Hernandez went to Havana and secured a position in the Custom-House. He was promoted to be a deputy collector, and it was while acting in that capacity he was recognized and arrested.

COFFEE ARGUMENT.

New Evidence of the Effect.

A South Dakota man, W. A. Dawley, Sturgis, explains the condition some men get into from coffee drinking. Let it be understood that coffee seems to agree with some people well enough, but when a person finds it does not agree it is better to leave it off. He says: "I used coffee about twenty years, and quit it Sept. 30, 1899. I had become almost a complete wreck, thin in flesh and emaciated, dyspepsia and indigestion of the worst order, nerves shattered, no appetite, sleep very little, and my blood was so thin that the slightest breeze chilled me through."

"Medicine gave no relief; I had about given up when I finally concluded to investigate and see if it was really true, as I had read in a number of your statements, that coffee acted like a poison to some people. It was an easy matter to leave off coffee when I took Postum Food Coffee, for the food coffee tasted as good as the other, and to my surprise, it set good on my weak stomach."

"I have been buying the Postum through my grocer, Mr. Jas. Meyer, and always have followed directions carefully. I liked it from the first and have drank Postum three times a day ever since. Have gained twenty pounds in weight, my appetite is better than ever before, my sleep perfect, dyspepsia is a thing of the past and my nerves are what they should be. I can vouch for the statement that Postum Food Coffee 'makes red blood' and plenty of it. My son, Amos Dawley, of this city, has been completely cured of dyspepsia in three months by quitting coffee and using Postum Food Coffee. This is given you as an honest testimonial of the genuine value of your (to me) life-saving food drink. You are welcome to use my name if you want."

"We had fully forty converts," said Mrs. Booth-Tucker. "Some of them were

"The body of the woman found in the water at Bay Ridge this morning has been identified as that of Miss Anna Ward, who disappeared from her home, 219 Avenue A, on Jan. 5.

Rose Ward, the dead girl's sister, visited the Morgue this afternoon and was positive in her identification. She recognized her sister's rings, earrings, shoes and clothes.

Relatives of Miss Ward do not believe that she committed suicide. They say she must have been murdered.

The dead girl had been employed in the storeroom of the Waldorf-Astoria and had no known reason to destroy herself.

When the body was taken from the water it was so badly decomposed that an autopsy was impossible, and the Coroner's physician could not tell whether the young woman had been a victim of foul play. The body had been in the water for more than two months and the clothes were almost torn away.

Miss Ward's relatives will bury her body.

THE HEALTH HABIT

Just as Easy to Form as Any Other.

We do not deliberately form our pet habits, but they are unconsciously acquired as we grow, and by the time we learn they are hurting us we find them too strong to be easily broken.

Then, why not form a good habit, a habit which will counteract the many bad ones in other words, contract the unfashionable habit of being always well?

The best health habit to get into is to have and keep a vigorous stomach; if you have a healthy digestion you can drink your beloved coffee, smoke your favorite brand of tobacco, with little or no harm; the mischief begins when these things are forced upon the faithful stomach without any assistance.

Form the habit of taking after meals some harmless but efficient digestive which will relieve the stomach of so much extra work.

Nature furnishes us with such digestive, and when they are combined in such a pleasant preparation as Stuart's Dyspepsia Tablets they give the overworked stomach just the necessary assistance to secure perfect digestion without any of the harmful effects of cathartics and similar drugs.

The habit of taking Stuart's Dyspepsia Tablets after meals is as necessary to the weak stomach as food itself, and indeed to the healthy stomach it is a pleasant and certainly nothing can be used better and certainly nothing can be used better and certainly nothing can be used better.

Many families consider Stuart's Tablets as essential in the house as knives and forks.

They consist entirely of natural digestive principles without the effect of characteristc of drugs; there is no cathartic action, but simply go to work on the food taken and digest it.

Take into account your bad habits and the expense they entail and then forget fifty cents in a box of Stuart's Dyspepsia Tablets, and see if your digestion for the next month is not vastly improved.
